A spooky time is had at carnival

Food, games, hay rides, a spook house, dunking tank and many other activities were offered at the Christian Day School Halloween carnival last Friday night.

The carnival raised almost double the amount of last year's carnival, according to chairman Kendra Snow, with proceeds to benefit the school in the purchase of desks, tables and other supplies.

Snow said a new feature this year was a silent bid on the purchase of a riding lawn mower donated by Everglades Farm.

WILLIE C. FLEMING (left) is recognized Tuesday, Oct. 30, for his 22-year safety record as a driver for the Sugar Cane Growers Cooperative of Florida.

Sugar safety recognized by Cooperative

BELLE GLADE - Sugar Cane Growers Cooperative of Florida kicked off the 1984-85 season with a presentation of safety awards Tuesday, Oct. 30, at the Dolly Hand Cultural Arts Center.

Transportation Superintendent Levon Milligan handed out pins to drivers with a safe driving record from one year to 22 years.

During the season more than 200 drivers work for Sugar Cane Growers and those who finish out the year without an accident receive a pin. The drivers accumulate years of safety by maintaining a perfect driving record.

"It is an incentive type thing," Milligan said. "If they don't have an accident they move up a year. If they have an accident they go down."

Dale Stacy, agricultural division manager, reminded the group at Tuesday's gathering of their importance to the sugar company.

"You are an important link in the operation. Last year there were no major accidents and you took excellent care of the vehicles and I hope you will continue to be safety conscious," Stacy said.

Big Pahokee football victory adds spice to homecoming

PAHOKEE - The Blue Devils topped off Pahokee High School's homecoming festivities with a win against Immokalee 26-2 Friday, Oct. 26.

During the first half it looked as if Pahokee

was going to have a tough time in Friday night's game when Immokalee scored a two-point safety in the second quarter, but Coach Don Thompson made some adjustments during

half time to clinch a victory in the second half.

"We were moving the ball pretty well in the first half but our blocking scheme kind of broke down," said the Pahokee head

coach. "It was a defensive battle between the two teams."

Thompson moved Pernelle McKelton to quarterback in the second half and placed quarterback Pell

Racketeering crackdown underway

BELLE GLADE - Police officials have started to crack down on illegal gambling activities in Belle Glade with two recent arrests.

One of the operations was estimated as netting close to \$3 million in illegal lottery ac-

tivities. On Sunday, Oct. 28, Det. Albert Dowdell III arrested a convicted felon for possession of lottery paraphernalia and a semi-automatic pistol.

Charles Willie Strawbridge, 59, of 40 W. Canal South was ar-

rested at 240 S.W. 6th St. above the Busy Bee Cafe where the alleged illegal lottery activities took place.

Dowdell discovered several lottery receipts and more than \$100 in pay off money.

Strawbridge, also known as

"Strawberry" was arrested in 1983 on similar charges. Det. John Carney said.

Last year's arrest resulted in more than \$7,000 in pay off money, Carney said.

A police report indicated Strawbridge

Residents meet the candidates

BELLE GLADE—Residents of the Glades got to meet candidates Thursday, Oct. 25, running in the upcoming county elections.

Candidates running for offices from sheriff to school board gathered at the Belle Glade Municipal marina to feast on catfish and mingle with citizens from around the Lake Okeechobee area of Palm Beach County.

Each person seeking a political office or a representative spoke before the crowd of near-

ly 150 voters addressing local issues and presenting platforms.

Mayor Thomas Altman was responsible for introducing the candidates at the political forum.

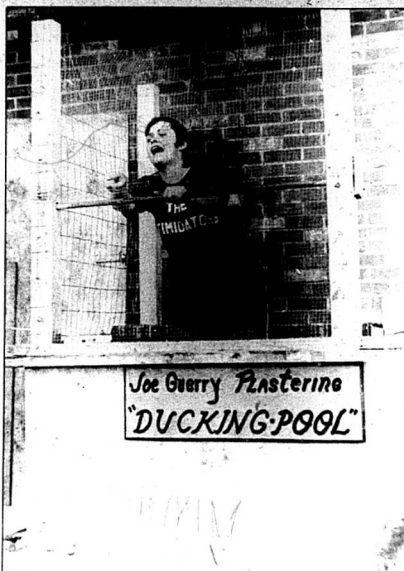

The gathering was intended for Glades voters of Palm Beach County to have the opportunity to meet political candidates without having to drive to the coast where most of the forums are held.

PAHOKEE'S MAYOR DUNCAN Padgett attended the "Meet the Candidates" forum with family members Thursday, Oct. 25.

General manager of Sugar Cane Growers, Bill Miller, also stressed the safety issue and the expense of transportation.

"I know you hear it and hear it and hear it," Miller said. "But you can't hear it enough. You must take care of yourself first and then your equipment."

The company's general manager said less accidents help in keeping costs down.

"The price of sugar in the world is 5 cents a pound and that is one-third or one-fourth of what it costs to make it," Miller said. "If we can't make cheap sugar then we're going to be hurting; so it is important that you keep safety and cost in mind."

Nearly 75 awards were presented, six to drivers with safe record for 15 years or more.

James White and Willie J. Wright received the 15-year safety pin and a Sugar Cane Growers jacket.

Robert Thomas Jr. and John W. Abrams were recognized for their 16-year safety record.

Ruben Morris Jr. had 19 years of safe driving and Willie C. Fleming had 22 years.

Opinion

Dr. David T. Evans

**Everglades
Presbyterian
Church**

"I think I'll come and visit your church sometime" is a remark that is made quite frequently to regular church members. Is this a casual remark or should it be taken seriously?

Generally people don't mention the church casually except possibly to a minister. The remark when followed up indicates a deep desire to fill a vacuum in their lives.

The answer to the remark should be "Come and See." If Jesus, the Messiah is present in the service then the worshiper will feel that he has found the One for whom he has been looking.

The disciples of John were introduced to the Lamb of God and they followed Him. "Jesus turned, and saw them following, and said to them, 'What do you seek?' and they said to Him, 'Rabbi (which means teacher), where are you staying?'" He said to them, "Come and See."

They acted on faith and then knowledge came later. The Rabbi would say, "Do you want to know the answer to this problem? Come and see, and we will think about it together."

The disciples Jesus called were hungry for an answer to life. They were looking for God's answer to the world's ills.

Andrew, one of the two disciples who followed Jesus, knew it at the end of the first day

that he had found the Messiah. His first reaction was to go and find his brother Simon.

Philip was found by Jesus who said "Follow Me." Philip not only followed Jesus but went after his friend Nathanael. Nathanael was a scholarly man when he heard Jesus was from Nazareth he said, "Can any good thing come out of Nazareth?" Philip said, "Come and see."

In the first calling we see tremendous attractiveness of Jesus. Some saw Him and followed. Some He beckoned to and they followed; others were invited by friends. However, they came, Jesus met them with a satisfying and knowing word.

Simon immediately became Peter the rock. Yet Jesus knew that he would wobble before he became strong. He knows our weaknesses and strengths. He can see both of them in us.

Jesus recognized Nathanael as an honest and straight forward Jew, not at all like Jacob who was called Israel. Jacob was the heel catcher and full of craftiness.

Each of those attracted to Christ in reality became new men. They began to grow but they had taken the first step.

Let us therefore, take seriously any interest that friends or acquaintances have in Christ, or they say, in the church. They are looking for something in this materialistic society to hold on to, and the answer is in Christ's fellowship — the Church.

For it to be worth while Christ must be motivating factor in us to make a difference. This factor must also be in the fellowship of the Church.

The Messiah, the Christ, came as a deliverer and He is still coming. He has the key to what we want. Let us help others to see Him.

"The Messiah? Come and See!"

PERNELLE MCKELTON GETS tackled by Immokalee players. McKelton later played quarterback in the second half to make a homecoming victory for Pahokee with a final score of 26-2.

ONE OF PAHOKEE High School's beauties participated in Friday's homecoming parade.

Thompson as running back.

"We beefed up our blocking team and out of this adjustment came a flurry of points," Coach Thompson said.

He said Donald Edwards, Kenny Berry and Darrell Brown had a good passing-receiving game.

"The defense became

stronger and tougher as the game progressed and we were able to shut them down," Thompson said.

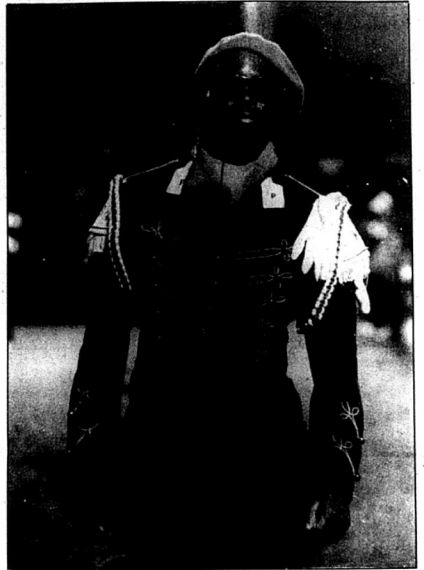

This Friday Pahokee goes to Boca Raton in a fight for the conference title.

"They are one of our conference teams so it will be an important game to us," he said.

"We are both tied for number one for the conference."

Thompson said he doesn't have any new strategy planned for the upcoming Boca Raton game.

"We are trying to do what we do best. We will pass and run or run and pass and try to be strong on defense," he said.

Raiders suffer 14-0 shutout at Santaluces

Coach Dan Brown said too many fumbles by the Raiders kept his team from scoring against Santaluces Friday, Oct. 26.

Glade Central's head coach said Santaluces 14-0 shutout happened because the Raiders didn't get to use their offense.

"We never got started," Brown said.

"The closest we got was their 45 yard line. They kept the ball away from us."

The Raiders had the ball 33 times in the second half but "mistakes on fumbles" kept them from scoring, Brown said.

This week Glades Central plays John Leonard, a team with a 7-1 record.

Brown said he expects the game to be tough.

"We'll be the underdogs but we're going to try to win," he said. The Raiders coach said the team is going to work on their mistakes on fumbles and offensive blocking.

"That's been our weakness throughout the season," Brown said.

Gators clinch district title

Glades Day Gators shut out Benjamin 27-0 Friday, Oct. 26, clinching the District 7-A championship.

"It was a good first half. We led 7-0 but in the second half we scored 20 points," Coach Byron Walker Jr. said. "We expected a lot closer game but we wore them down in the end. We were bigger and had more depth."

Walker said the team did a good job in the second half.

"The defense did an outstanding job with the shut out and all,"

Walker said, praising the performance of linebacker Eric Browder and nose guard Warren McMillan.

"The secondary also did a good job and in offense got their confidence back," he said.

Philip Echols had 125 yards for the sixth consecutive 100 plus yards game.

"This week the Gators will play Frostproof and Walker is expecting a "big" game.

"They're the number 3 ranked team in the state and are undefeated," Walker

said. "This is our biggest game of the year. It should be a real knock down, drag out game."

Glades Day has scheduled a fan bus to go to the game in Frostproof. Anyone interested should call the school at 996-6769.

Christian Day loses close one to Broward

Christian Day played a tough game against Broward Christian Saturday, Oct. 27, but fumbles kept the Crusaders from scoring.

The final score was 9-6.

Broward Christian's favor. "I thought we should have won," said Coach James Jacks. "We fumbled on the 4, 10 and 15 yard lines. We had good drive the whole time we just couldn't hold on to the ball."

The Crusaders ended the game with 64 yards rushing and 115 yards passing. Tailback David Chamblee had

110 yards rushing. David Hopkins, outside linebacker, had 12 assisted tackles and 7 unassisted tackles.

"If we could ever stop the fumbles we could win some ball games," Jacks said. "We have a lot of inexperienced kids and they get uptight when they get inside the 20-yard line."

This week the Crusaders play St. John Neumann at the Christian Day field Saturday at 2 p.m.

"They're tough but if we get out there and do not fumble we'll be a winner," Jacks said.

Jeri Burke, Alberto Arrieta exchange wedding vows

BELLE GLADE Jeri Tamara Burke and Alberto Joel Arrieta exchanged wedding vows Saturday, Sept. 8 in a double ring ceremony at the Community United Methodist Church. Rev. S. Harry Russell officiated.

The bride is the daughter of Mr. and Mrs. Lee Burke of Belle Glade. The groom is the son of Mr. and Mrs. Robert Arrieta of Fort Mayaca.

The church was lit with candlelight from five sets of candelabra standing amid a background of palms, foliage and peace lily. The focal point of the scene was a large fan-shaped bouquet of all white flowers on the communion table.

Tree-shaped candelabra standing on either side of the stage steps held arrangements of apricot and white flowers. Reserved pews were marked with peach silk flowers outlined with silk dracena foliage, centered with satin bows.

The communion table held a selection of

Campanula flowers from Holland, fuji mums, carnations and pompons.

Apricot lilies, fuji mums, carnations and pompons decorated the side of the steps with smaller arrangements in the Narthex.

Selections of music were played on the piano organ by Mrs. Karen Corbina and flute by Mrs. Susie Escobar.

Rev. James Brewer sang "Candles on the Water" as candles were being lit. Carol Schmidt sang "Sunrise, Sunset" after the mother of the bride was seated.

"Color My World" was played on the flute and organ after the mother of the groom was seated. "Whither Thou Goest" was sung by Mrs. Schmidt as the couple ascended to the altar.

Rev. Brewer sang "My Song" after the vows were exchanged and "The Wedding Prayer" as the bride and groom knelt at the altar.

The mothers of the couple were escorted out with Mrs. Carol Schmidt singing "Go-

ing Forth".

The bride was escorted to the altar by her father, Lee Burke. The bride's mother was escorted by her son, Tim Burke and the groom's mother was escorted by her son Robert Arrieta.

The bride wore a gown of taffeta and Venice lace. The gown featured a high illusion neckline and fitted bodice of lace and pearls. The Cinderella full skirt flowed into a chapel-length train with lace trim on the hemline. She wore a tiara-type headpiece of Venice lace and pearls with fingertip veiling.

She carried a cascade bouquet of white Phaeleonopsis orchids and sonia roses interspersed with stephanotis and outlined with variegated dracena foliage. The trim was satin pequot streamers.

The maid of honor was Gena Reeves, a high school classmate of the bride. She wore a dress of soft apricot taffeta with draped bodice and off-the-shoulder puffed sleeves. The intermez-zo length wrapped skirt added to the uni-

que styling. The bridesmaids were Katie Keating of Newberry, South Carolina, a high school classmate, Anita Arrieta of Port Mayaca, sister of the groom, and Virginia Ergle of Columbia, South Carolina.

They wore dresses identical to the maid of honor. Their headpieces were apricot colored lilies and babies breath.

The flowergirl was Karen Perkins, cousin of the bride. She wore a dress of soft apricot taffeta with puffed sleeves and a long skirt made by her mother, Mrs. Frances Perkins. Karen's headpiece was similar to the bridesmaids. She scattered sonia rose petals made by her mother, Mrs. Frances Perkins.

The attendants each carried modified cascades of apricot flowers and variegated foliage. The best man was Robert Arrieta, father of the groom. Groomsmen were Tim Burke, brother of the bride, Robert Arrieta Jr. and Dr. Mac Wright.

Chris and Joseph Arrieta, brothers of the groom, were the ushers. The ringbearer was Todd Griffen. They all wore formal black Pierre Cardin tuxedos and wore apricot rose boutonniere.

The bride's mother wore a winter blue Charmeuse dress accented with a tucked pleated bodice. Soft gatherings enhanced the bodice.

The groom's mother wore a flowing beige gown of crystal pleated chiffon. A self-flounce encircled the bodice.

The mother of the bride, Mrs. Burke, and the groom's mother, Mrs. Arrieta, each wore a white snowsong orchid trimmed with silver and gold.

The bride's grandmothers, Mrs. R.A. McCrairie, wore a blue printed dress and Mrs. Flora Burke wore a soft pink dress. The groom's grandmother, Mrs. J.L. McCall, wore a dark pink two-piece dress.

The flowers were white mini carnations.

The ringbearer's pillow was made by his aunt, Mrs. Jackie Hilyer. The bride wore a blue garter that her mother wore at her wedding.

Mr. and Mrs. Burke entertained guests at a buffet reception held in the Elks lodge banquet room immediately following the ceremony.

Guests tables were covered with apricot colored tablecloths centered with low floral arrangements in candelabra. The food tables held double tiered candelabra arrangements.

A background was formed for the bride's table of palms and foliage featuring a large ficus tree illuminated with dozens of tiny white twinkling lights.

Each of the family tables held epergne arrangements in silver candelabra. Portions of a three-tiered wedding cake decorated with lily of the valley were served.

The "bride and groom" on the cake was a family keepsake that was used on the bride's parents wedding cake at their reception.

Mrs. Horace Harris, Mrs. Herbert Priest and Mrs. Floyd Reeves assisted in the serving. Mrs. Tony McCrairie.

Mr. and Mrs. Gerald Matthews, Mr. and Mrs. Bruce Cherry and Erika, Mr. and Mrs. Don Sellers.

Ruth Hidalgo attended from Tallahassee, Patti McGill from Babson Park, Fl.; Mr. and Mrs. Coleman Conley, Indiantown and Mr. and Mrs. Ron Cucciarra from Stuart.

Mr. and Mrs. Robert Pease attended from Ft. Myers, Mr. and Mrs. Roy Whitehurst, Mrs. Jan Royal and Mrs. Carol Bradley from Clewiston, Lee Luce from Lakeland and Gene McCall from Jacksonville.

Virginia Ergle attended from Atlanta, Ga., Mr. and Mrs. Brent Woodham, West Lafayette, Ind., Mr. and Mrs. R.E. Mueller, Melbourne and Mrs. Sandy Nason Munden, Boca Raton.

The couple took a wedding trip cruise to the Bahamas and outer islands and are now making their home at 800 S.W. 16th Street, Belle Glade.

Loan set-aside review slated

Immokalee County Office - Reviews will begin this week for Farmers Home Administration (FmHA) loan accounts to see which farmers in Hendry, Glades and Collier Counties need and will qualify for a one-time set aside of part of their loan, George W. Cochran, County Supervisor, said today.

FmHA has been authorized to set aside up to 25 percent - to a maximum of \$200,000 - of the debt owed by the agency for farmers who are experiencing severe

financial difficulty, if look at all as accounts in alternatives." George Cochran said all accounts will be reviewed. There are some exceptions, such as scheduling appointments for our borrowers to review their accounts, determine if they need special assistance and see if we can make that assistance available, George Cochran said.

"Not every borrower will qualify for the set aside, but there might be some other way to help, such as consolidation or rescheduling of existing loans. We will

as accounts in bankruptcy or foreclosure or those determined able to graduate to other sources of credit.

Chiles' aide to visit

U. S. Senator Lawton Chiles' South Florida District Assistant, Mark Bailey, will be in Glades County and Hendry County on Nov. 9, to assist constituents in this area with any problems they may be encountering with agencies of the Federal Government.

Bailey's schedule is as follows:

9:30 a.m. - 10:30 a.m. - Clewiston City Hall Commission Chambers

11:30 a.m. - 12:30 p.m. - Glades Co. Courthouse Commission Chambers

1:30 p.m. - 2:30 p.m. - LaBelle City Hall Commission Chambers
